

CAF 200 multi feature random forest

1000 iterations, multi-electrode, multi-feature

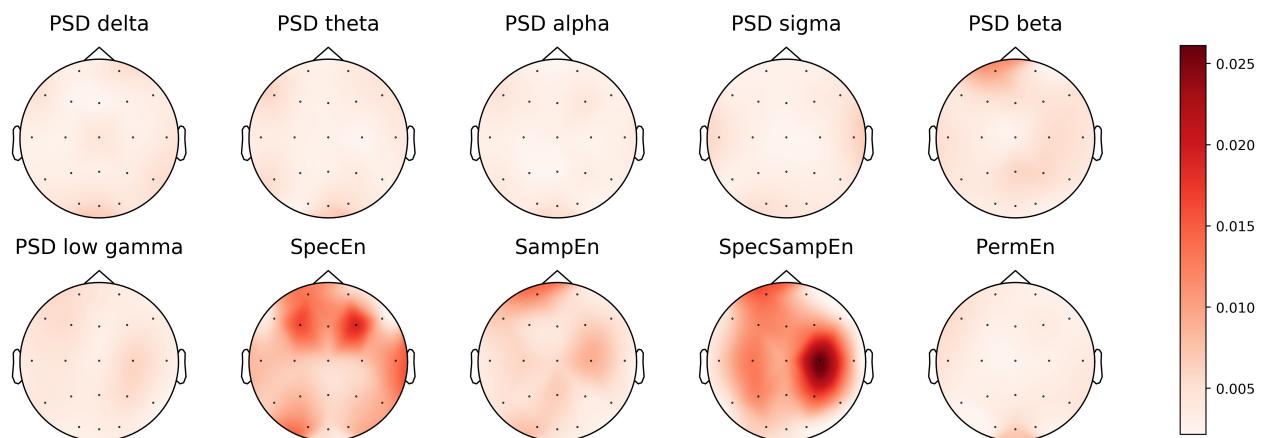

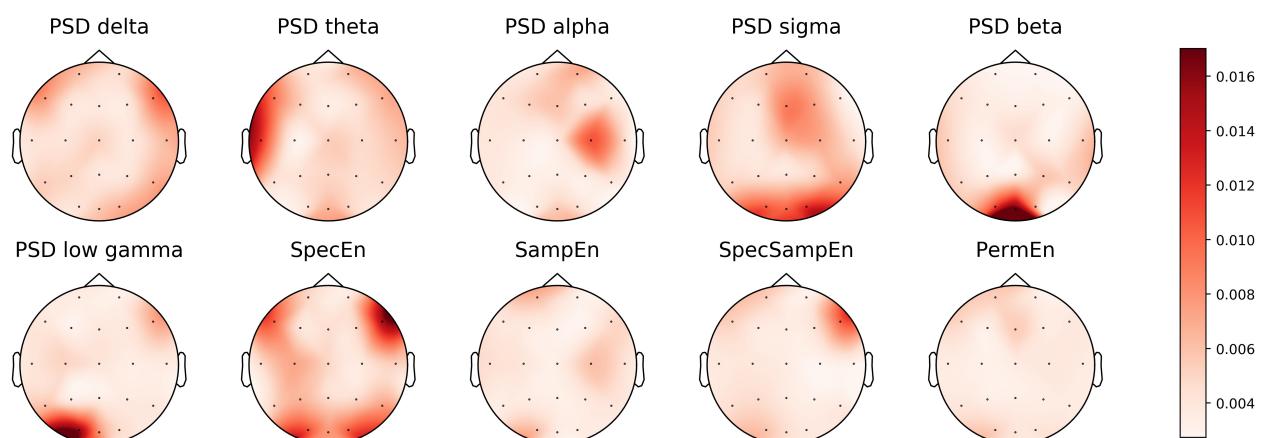

Random forest feature importance in stage AWA

Random forest feature importance in stage NREM

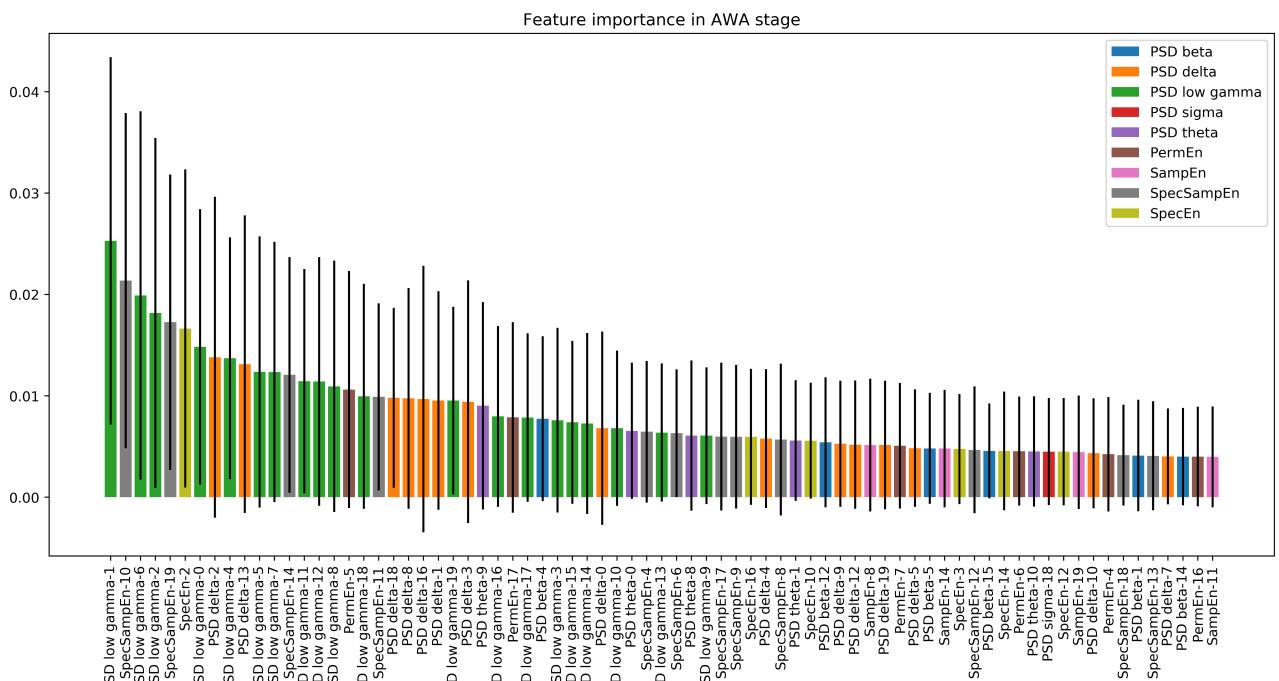

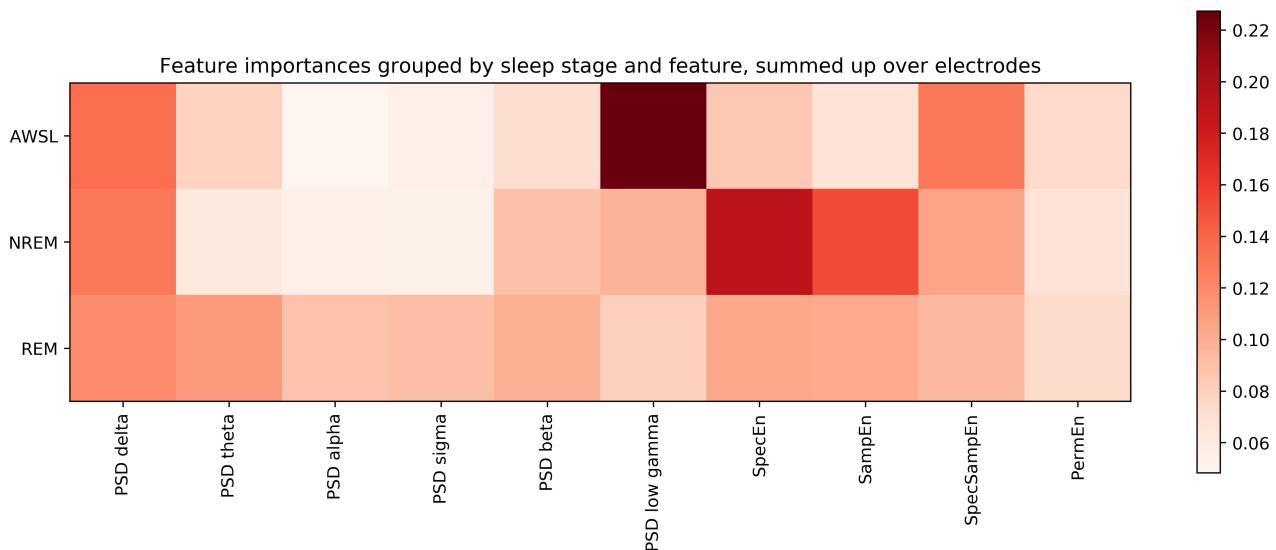

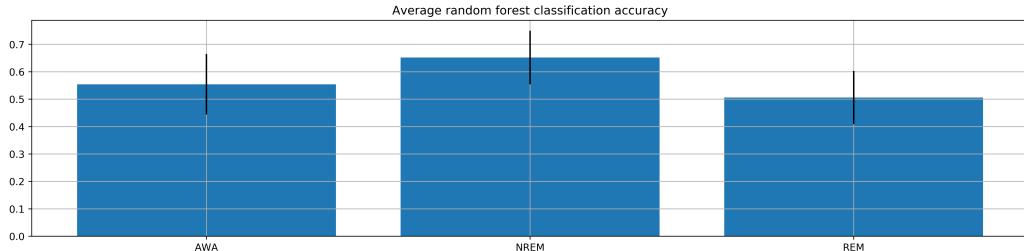

Random forest feature importance in stage REM

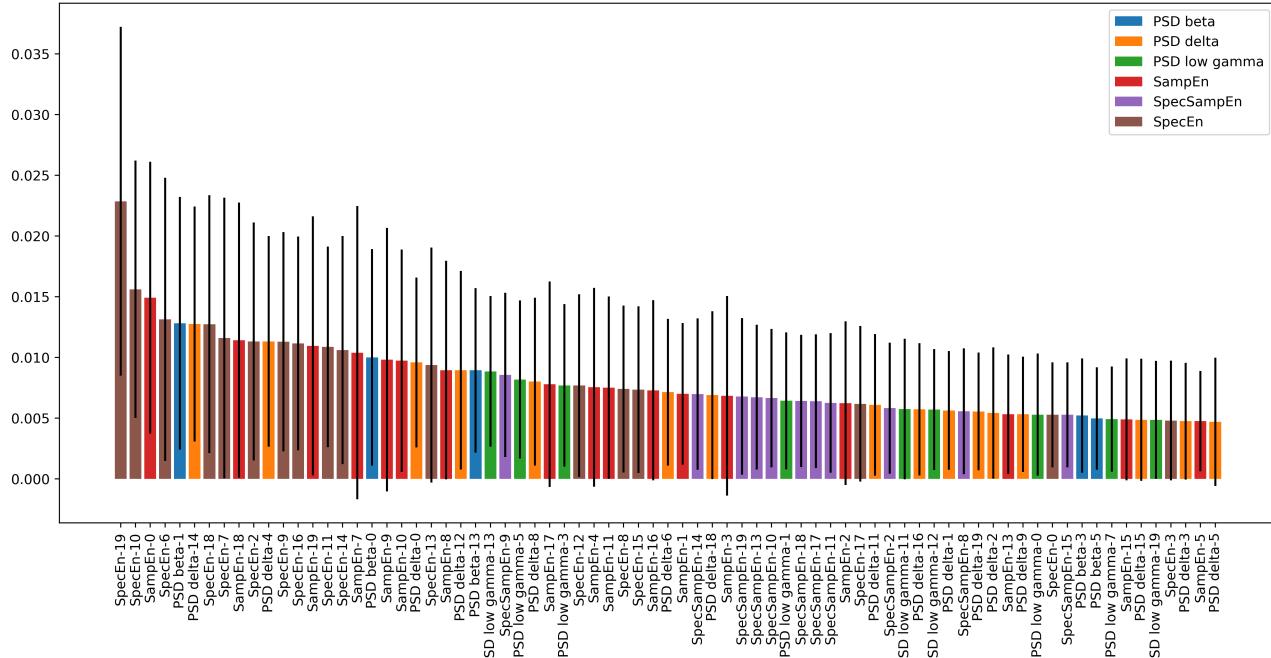

CAF 400 multi feature random forest

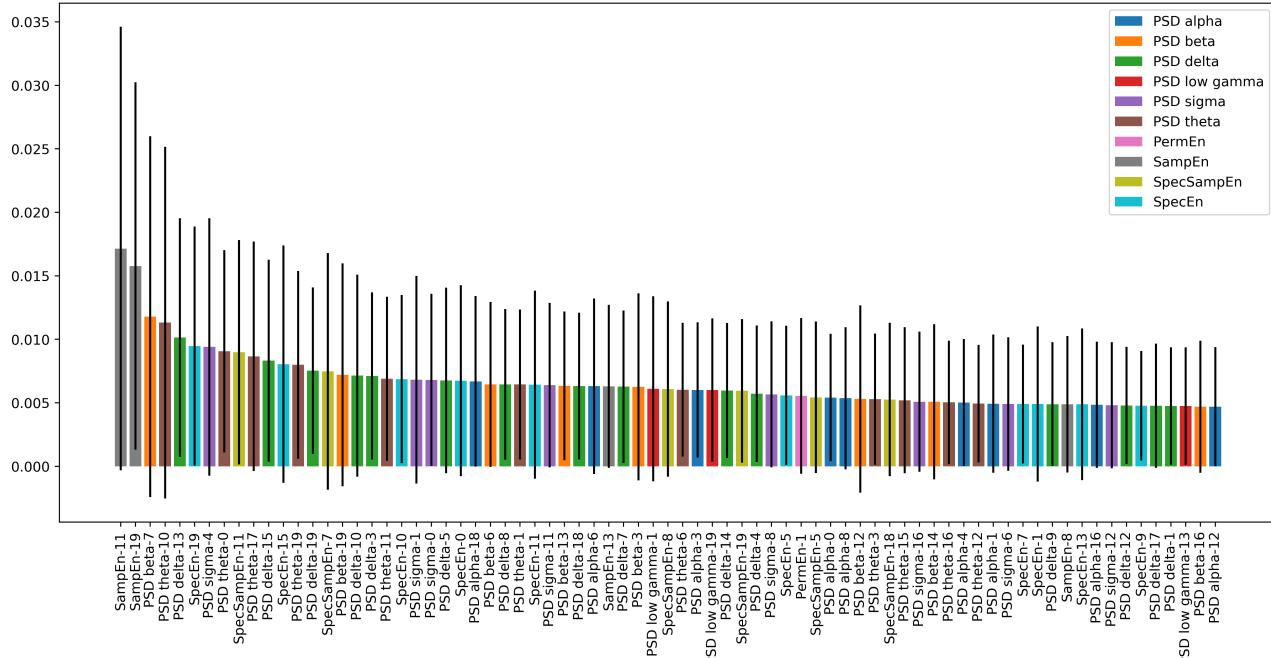

1000 iterations, multi-electrode, multi-feature

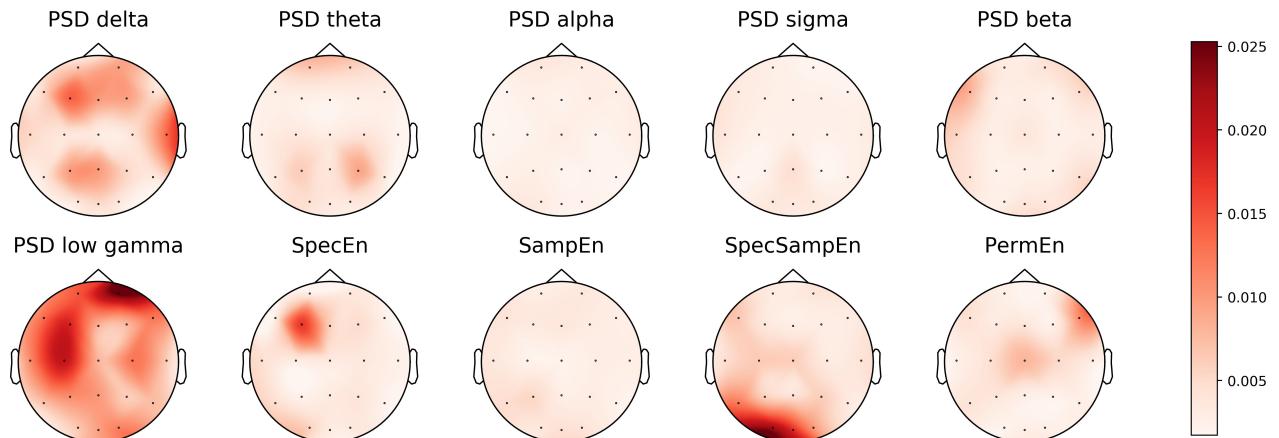

Feature importance in NREM stage

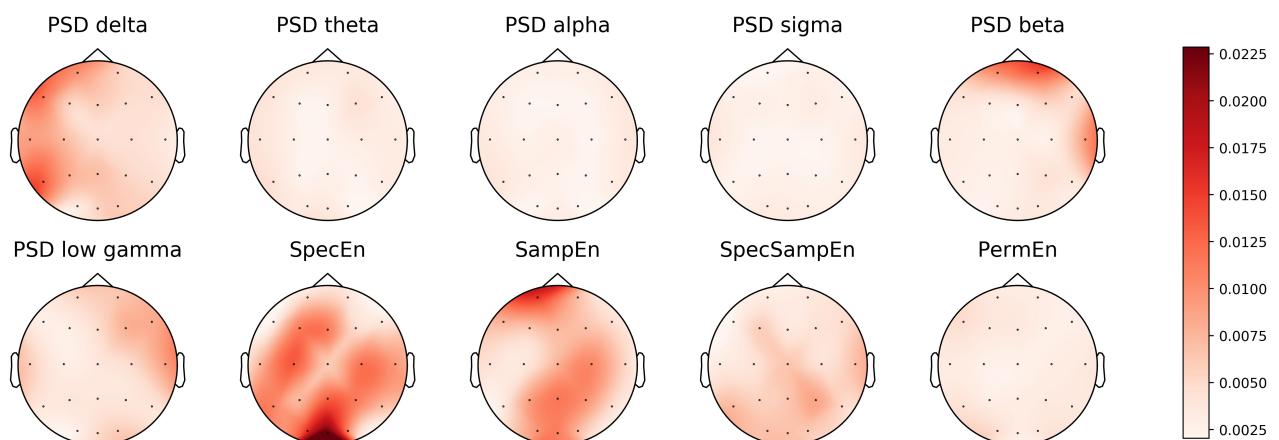

Feature importance in REM stage

Random forest feature importance in stage AWA

Random forest feature importance in stage NREM

Random forest feature importance in stage REM
